“It is a great time to get together and share ideas, things that work, things that don’t. It is comforting knowing I am not alone in this and others are having similar experiences and we are able to work through things together.”

Spotlight

ProCLAYM Member

*Deb Holzem,
Vice President*

My name is Deb Holzem and I am ProClaym Vice President this year. This is my fifth year in ProClaym and my first year on the board. Being a member of ProClaym “fills my cup” so I can effectively share Jesus with the families we serve.

My husband Gianni and I live in Neenah and have three children.

I began working as elementary coordinator for faith formation at St. Bernard in Appleton in 2015. Prior to this I was a catechist at St. Bernard for several years, while employed as a preschool teacher and then a substitute teacher in Neenah and Menasha. Last year I was proudly certified through the Emmaus program. I also have a degree in Education K-8 from UW Madison and early childhood certification from The Registry.
