Spotlight

Tina Peirick, President

Welcome!

I am so excited to share in another year of ministry with you! Having been a part of ProCLAYM for five years, each year I am amazed by how much I learn from the interactions with each and every person! The openness of sharing ideas and offering of friendly support in ministry are some of the highlights I have experienced in ProCLAYM! In addition, there are opportunities for personal and spiritual development at every turn!

I am thrilled to be President this year and look forward to continuing the effort and hard work of my predecessors in seeing change and growth in this organization! ProCLAYM has a rich history of being present in the Green Bay Diocese and an advocate for all in Religious Education and Youth Ministry! With your involvement, support and participation as a member, we can continue to keep that presence and offer this supportive network to all!

Brightest Blessings!
Tina Peirick
